## THE ONE THING

Pastor Trey has started a new sermon series with this title, where we are learning about how there is just one thing we need to make sure we do as children of God. Yes, there is just one thing that is needful for our Christian walk. In fact, it is our vital need, and when we are walking in it, everything else becomes easier.

## Tithely App

We have been using Tithely for years for people to donate online from our website, but we are now in the process of expanding to use their App to do a whole lot more to connect people with High Point. This App will allow us to receive donations, share audio and video media, manage volunteers, train staff and volunteers, use worship team tools, and do kids & event check-ins, among other things.

## Sheepfold Renovation

We have been working on getting our Sheepfold building ready for our youth and children to meet in for a couple of years. We had a new roof put on it as well as a new Heating & Air Conditioning unit. We have cleaned out a lot of old equipment and clutter, and had the bathrooms and water fountain renovated. We still need to knock out a wall along the hallway, replace the flooring and the ceiling grid & tiles, install a front area security entrance, create a kitchenette area, and paint. For some of these projects we will need volunteers to help, so be on the lookout for a planned work day or two. Also, if you want to contribute specifically towards this work, that would be a great blessing.
